

>> Outdoors Enthusiast

Get outdoorsy without sacrificing style. These super practical, portable, collapsible drinking bowls are also really cute. ollydog.com

Does Rex spit out the peas and won't eat his salad? He'll lap up Dog-Wa. Each bottle is fortified with a generous seven-day supply of necessary leafy greens. thehitchspot.com

When practical, fleece-lined waterproof-ness meets a 70's ski-vest look, we swoon. Stylish and practical, Idawg's vest will keep your dog warm regardless of what Mother Nature throws at him (but he'll be most happy if it's a bone). idawgclothing.com

If Fifi's reluctant to venture out for her morning walk, she needs a down-filled coat. It feels like climbing back into bed on a cold grey morning even if you're out waiting for the bus. joypetproducts.com

>> Jet Set Pet

Highly maneuverable, collapsible, and stackable, Pet on Wheels is the triple threat of pup porters. With looks that mean business and serious cornering ability, this rolling carrier has it all. tutto.com

If your fur-ever friend has a scheduling conflict (dog park play date?) and you have to go it solo, Lugtagz lets you spot your luggage in the blink of an eye while proclaiming your love for Poochie. Also lets fellow passengers know you're one of the good guys. lugtagz.com

Lost dogs rejoice! And worried dog owners, relax. Using a GPS-enabled collar, RoamEO can pinpoint your dog's location and show you where he's heading. roameoforpets.com

Dinner time goes Jetsons. Ensure constant portion size and a set dining hour with this automatic pet feeder. Sleek, modern, and Fido never has to wait on his dinner again! perfectpetfeeder.com
